"The Bulldog Way"
Striving for the Best, We Rise Above the Rest

Bulldog Families,

On Thanksgiving Day I released a statement about the hospitalization of Ms. Molly Roe, our wonderful Director of Curriculum and Instruction. As you may remember, Molly has been battling Covid19 since early November. Today, we received some very positive news. Molly has hit a huge milestone in her recovery and is no longer on the ventilator.

This is an early Christmas present for the students, staff, and community. Thanks for all the support you have given during this difficult year. Please continue to pray or send positive vibes to everyone inflicted with the virus and continue to take precautions to slow the spread of this virus. I hope everyone has a blessed Christmas and a Happy New Year.

Matt Unger, Superintendent
