“The Bulldog Way”
Striving for the Best, We Rise Above the Rest

9-22-2020

Dear Students, Parents and Community Members,

We knew the 2020-21 school year was going to be difficult. Collectively the Board of Education, administration, teachers and staff have a mission to provide a top notch education to the students we serve. We have developed a robust learning plan that includes traditional, hybrid and distance learning options for students. We are doing everything we can to be the #1 in MCR-1. In an effort to make sure we keep bus service available to students and parents the Morgan County R-1 School District has developed alternative bus route plan in case we are short staffed and are unable to run full bus routes. We realize that these may not be convenient but we will only use if absolutely necessary and we will make every effort to give parents and students as much notice as possible. We did not put Pick up or Drop off times as we will be pulling drivers from other routes to make these stops. We will announce pickup and drop off times as we are able.

Making the 'Alternative' bus routes was not an easy decision. However, it gives us the best opportunity in meeting our mission of providing a top notch education to the students. Please remember that by working together we can make the best of this situation. Most importantly the student will be the winners when the adults work together... that's what we want! If you have any questions please feel free to call.
